I. ABOUT THE LONDON & MIDDLESEX LOCAL IMMIGRATION PARTNERSHIP (LMLIP)

The London & Middlesex Local Immigration Partnership (LMLIP) is one of 34 Local Immigration Partnerships in Ontario funded by Citizenship and Immigration Canada. The work of the LIPs across Ontario is supported by the Ontario Ministry of Citizenship and Immigration as well as the Association of Municipalities in Ontario (AMO).

With the establishment of the LMLIP Council in 2010, which includes a Central Council and six issue specific Sub-councils, LMLIP Council has made a concerted effort to bring together a cross section of the community: including business, community services, volunteers and immigrant representatives through local discussions, to hear the perspectives of multiple voices and plan accordingly. These consultations resulted in our *Community Immigrant Strategic Plan* which was submitted to Citizenship and Immigration Canada in June 2010. For the last three years, LMLIP Council has coordinated the delivery of integrated services, facilitated the development of target services and provided the opportunity for cross sectors to collaborate and partner for better outcomes for immigrants.

This report highlights the work undertaken by our community in the last year to advance our community's Plan. LMLIP Council and close to twenty work groups contributed close to a total of 350 hours, (compared to close to 250 hours last year). These hours reflect meeting times of all the LMLIP Council with its six Sub-councils, the planning meetings of work groups, project team meetings, events organized by LMLIP work groups, and the last community event. Close to 400 individuals, from across sectors, have invested their time, expertise and knowledge to further advance some of the strategies identified by our community in the Plan.

LMLIP will continue the journey with the ongoing engagement of our community partners to welcome and engage immigrants.

The achievements reflect the following five overarching outcomes of our Community Immigrant Strategic Plan:

II. OUR COMMUNITY ACHIEVEMENTS

Community Immigrant Strategic Plan - Overarching Outcomes:

1. **Supports and Services for Immigrants:** Immigrants have increased access to supports and services to ensure that they can successfully participate in all aspects of the community
2. **Communication and Access to Information:** Immigrants have increased access to information about available services, cultural expectations and how to access services and supports to successfully use the system in the community
3. **Host Community:** London and Middlesex residents are exposed to, educated about and engaged in understanding and accepting diverse traditions, behaviours and experiences of all the cultures that make up the community
4. **Supports for Service Providers:** Service providers and volunteers have increased access to sustainable funding, information on supports to collaboration, diversity training and resources to ensure timely, effective and responsive services for immigrants
5. **Advocacy/Systemic Change:** Reduction of systemic barriers (i.e., local, provincial, federal and host community) that impede immigrants' ability to successfully engage in the community

III. MOVING FORWARD

On March 27, 2013 the LMLIP held its fifth community meeting to educate, celebrate and inspire¹. Close to 300 individuals from cross sectors, interested citizens and international students attended. There was active participation from students and academia. The community was provided with the opportunity to learn about recent changes in immigration policies and how communities are responding to changes in health policies; the table discussions with international students highlighted some of the challenges facing students as they settle into the City and provided their insights into how we can further maximize our resources to make London a more welcoming city. Recommendations from the table discussions will be taken up by the relevant LMLIP Sub-council. The employment session featured five successful immigrants who shared their journey to employment and provided inspiration and action items for the community.

As we wrap up our three year *Community Immigrant Strategic Plan* in September 2013, we recognize that a number of gaps and opportunities related to improving outcomes for immigrant communities and creating a more welcoming city are yet to be addressed. With our community's ongoing engagement, LMLIP will continue its task towards creating opportunities for engagement, education and actions. LMLIP Central Council with its six Sub-councils, driven by volunteers representing diverse groups of immigrants, service providers, faith groups, community based organizations, students (both domestic and international), academics and interested citizens, will continue the journey in:

- consulting with the community
- partnering with existing initiatives
- exploring opportunities which will enhance outcomes for immigrants in our community, and
- reaching out to the community once again to coordinate and facilitate the implementation of strategies from the updated *Community Immigrant Strategic Plan* for the next three years (2013 - 2016)

Because of the LMLIP, our community is working differently, partnering in innovative ways to use resources to better support immigrants. We are thankful for the time, innovations and commitment of our community partners and for the ongoing support to move the agenda of the LMLIP forward.

In the past year, our webpage received 707 hits, most of which were from Canada. However, some individuals from China, India, Pakistan, United States, Philippines, Germany, United Arab Emirates and Columbia have accessed our webpage as well.

Many thanks to our community for being part of the LMLIP process in making London and Middlesex County more welcoming and prosperous for all.

Other Recommendations

- Advocacy for newcomers and immigrants/systems change
- Engage more members of the host community (private sector, landlords, etc.)
- College/University and community collaboration
- Enhance existing initiatives
- Needs assessment from immigrant perspective
- Community outreach and increased communication about LMLIP
- Build more awareness on community resources supporting immigrants
- More engagement opportunities for newcomers
- Evidence-based research on outcomes of LMLIP
- Region-wide collaboration with LIPs

V. ACKNOWLEDGEMENTS

The London & Middlesex Local Immigration Partnership (LMLIP) Council continues to acknowledge the funding support from Citizenship and Immigration Canada (CIC), and the leadership provided by the City of London and United Way London & Middlesex as Co-Chairs. The LMLIP also acknowledges the contributions of Dr. Victoria Esses, Western University, Canada and the Pathways to Prosperity Partnership (P2P) team.

Our vision is a truly community based approach to support immigrants in London and Middlesex. We recognize the contributions of the many individuals who have served on the LMLIP Council and Sub-councils (Appendix A) as well as those who contributed their time and efforts on the working groups and those who were engaged in the workshops (Appendix B). We are also indebted to the generous in-kind and ongoing support of organizations and associations (Appendix C).
