Job Readiness Tool

Source: [OCASI Newsletter #79](#) dated February 2019

Finding employment in Canada can be challenging for newcomers. There's a lot that goes into a job hunt: resumes, cover letters, references, interviews, and more. We've come out with a Job Readiness Tool to help newcomers test what they know and see what they can do better. After taking a quiz, a customized report with next steps and additional resources are given. Visit the [Job Readiness Tool](#) on Settlement.org website.

Education & Training

In London and Middlesex County, we are proud of our top universities and colleges, excellent vocational training and free public school system. To find out more, visit the [Learning](#) section located on the Portal.

On the Move Planning Tool

This simple tool will guide you to studying or living in London and Middlesex County. After answering some questions, the tool will provide a custom list of tasks and a timeline for your use. Click [On the Move](#) to start the tool.
